St. Gregory the Great Academy

Committed to empowering students to become faithful disciples of Jesus Christ and lifelong learners as they journey toward academic excellence and moral formation in an authentically Roman Catholic environment.
Academically Excellent
St. Gregory the Great Academy offers academic excellence in a nurturing in a Christ-centered environment. Our dedicated faculty integrates the curriculum with 21st century technology to promote digital literacy and to prepare students for our changing society. In addition to a comprehensive curriculum, students participate in weekly art, music, library, technology instruction, and physical education. St. Gregory the Great Academy, a 2014 Blue Ribbon School, follows academic guidelines prescribed by the Office of Catholic Education of the Diocese of Trenton.
St. Gregory the Great Academy has developed a rich tradition embedded in the Catholic faith, a tradition that is conveyed in all aspects of the student’s academic life. We provide an education rooted in Gospel values. The expression of these values is lived every day at St. Gregory the Great Academy. They help our children achieve their full potential, both intellectually and spiritually. The teachers, who deeply care about the students, guide and prepare them for scholarship, stewardship, and discipleship. St. Gregory the Great Academy is a vibrant community of faith and learning where our students are truly alive in Christ.
